
ACS ADDING 150 JOBS IN RALEIGH

[Affiliated Computer Services](#) is expanding its call center in Raleigh, adding 150 new jobs. This comes on top of the 465 Raleigh jobs the company announced it would add in August. The jobs are permanent jobs and ACS is looking to fill them rapidly to handle its growth. ACS is a data services provider headquartered in Dallas. It was founded in 1988 and became public in 1995. It employs over 74,000 people globally.
