
BAKER HUGHES CUTTING 62 JOBS IN HOUSTON

[Baker Hughes](#), the world's third largest oilfield service company, is cutting 62 jobs by mid December. The affected jobs are mostly financial, the company says. These cuts are part of a worldwide reorganization according to spokesperson Gene Shiels. Baker Hughes is currently working on a merger with [BJ Services](#), another Houston based company. Baker Hughes employs nearly 40,000 people in 90 countries and had a net income of \$2.635 billion in 2008.
