
MEDICONNECT EXPANSION IN UTAH WILL BRING IN 300 NEW JOBS

MediConnect Global, based in Utah, processes health care claims for the insurance industry. The company announced today that it will invest \$470,000 to expand its existing facilities in Utah, and hire 300 additional employees. Most of the new jobs will be at the company's operations center in Ephraim, Utah. MediConnect was founded in 1996. The company specializes in medical records retrieval, digitization, coding and delivery via the Internet.
