## STERICYCLE CUTTING 29 JOBS IN FLORIDA

**Stericycle**

Protecting People. Reducing Risk.™

Stericycle is cutting 29 jobs from its facility in Boynton Beach, Florida, according to a notice it filed this week with the state. The layoffs will be effective at the end of February. Stericycle is the country's largest provider of medical waste services. From 2001 to 2005 it was one of Forbes Magazine's Best 200 Small Companies in America.
