## HUMANA ADDING 50 JOBS IN FLORIDA

### HUMANA.

*Guidance when you need it most* Health care services provider **Humana** is adding 50 jobs, mostly nursing positions, at its Humana Cares national care center in St Petersburg, Florida. The center provides telephone based health coaching, health management and and health education services to 30,000 medicare and low income/disabled medicare/medicade members nationwide. The center has expanded from 200 employees in January of 2008 to just over 300 by the end of 2009.
