

YELP TO HIRE 200 IN ARIZONA

The internet company [Yelp](#) will be hiring 200 new employees for its Scottsdale, Arizona location this year. Yelp is a user driven website which focuses on reviewing products, services, restaurants and local media markets. Reviews and commentaries are submitted by readers of the website for products, services and media in just about every location in the United States. Yelp was started in 2004 and more than 29 million users have used the company to locate reviews and commentaries on products in their local communities. Yelp also has offices in San Francisco and New York City. Interested applicants should apply directly the company's website.
