
U.S. BANK HIRING 60 IN WISCONSIN

U.S. Bank will hire 60 new employees at their Brookfield, Wisconsin location. The bank will expand its credit card issuing technology department. The department has 300 employees providing support services for the credit card arm of U.S. Bank's "retail payments solutions group". The department also deals with debit and prepaid cards. The additional jobs will increase U.S. Bank's workforce in Wisconsin to 4,804. Some positions will become available immediately and others will be created later in the year. U.S. Bank is based in Minneapolis and is the sixth largest commercial bank in the United States. The bank has locations in 25 states and offers regional consumer and business banking in addition to wealth management services.
