
OHIO GIVES TAX CREDITS TO CREATE 1,200 JOBS

Officials in Ohio have awarded several tax credits for projects designed to create 1,200 jobs in the state. Among them is NC Works Inc., a startup manufacturer that plans to produce non-woven fabrics for automobile interior materials. The company, which expects to create 30 jobs, was awarded \$75,000 in tax credits from the state. Ohio awarded 14 other tax credits to new businesses and expansions. Among them was a \$185,000 tax credit to 3S Inc to add 27 jobs; \$110,000 to Ameridial Inc. for 170 new jobs; and a \$1.3 million credit to Isoton North America Inc. to create 250 new jobs.
