

S2F WORLDWIDE ADDING 250 JOBS IN INDIANA

S2F

s2f Worldwide LLC is set to create 250 jobs in Plainfield, Ind. through a \$10.8 million investment in its headquarters and distribution operations. The company, which provides transportation, management, warehousing and distribution services, plans to begin hiring in April for an anticipated June opening. The news was released through a statement from the Indiana Economic Development Corp. The agency is set to provide s2f with up to \$2 million in performance-based tax credits and upwards of \$45,000 in training grants, which will be based on the company's plan for creating jobs. According to its website, s2f Worldwide "was established to provide world class supply chain solutions." It is headquartered in Indianapolis, Ind.
