

WEST ASSET MANAGEMENT TO ADD 100 JOBS IN WISCONSIN

West Asset Management will hire 100 people for **new** positions at its call center in Wausau, Wisconsin. The new hires will be working with customers of leading financial institutions to modify existing loans. These positions are entry level and provide comprehensive benefits packages, including pay with a possible monthly bonus. Workers are needed for both day and evening shifts. Applications may be submitted directly the company's website. West Asset Management is a subsidiary of Omaha based West Corporation. It is a fully licensed collection agency with 14 locations in 13 states and an offshore location in Makati City, Philippines. West Asset provides services for the communications, financial, healthcare, higher education, insurance and utilities industries.
