## HEWITT ASSOCIATES BRINGING 463 MORE JOBS TO CHARLOTTE

Hewitt Associates Inc. announced it plans to add 463 jobs in Charlotte, N.C. The new positions will be in human resources and information technology and will pay an average salary of \$43,600 plus benefits, according to *Triangle Business Journal*. A major catalyst for the expansion is a Job Development Investment Grant provided by the state Economic Investment Committee in Raleigh. "We're pleased with the growth prospects for our business, and particularly our Charlotte center," says David Swift, vice president. "Charlotte is a great location for us to expand our business due to the available talent pool and we very much look forward to growing our presence here with the continued support of the state of North Carolina." Hewitt Associates, based in Illinois, provides services to more than 3,000 companies, including human resources, health care, payroll, and retirement.
