
SPRINT HIRING 100 WORKERS FOR TEXAS CALL CENTER

Sprint announced it is hiring more than 100 workers for its call center in Temple, Tex. over the next 60 days. The company's hunt for employees will begin with an on-site hiring event on Thursday from 9 a.m. to 4 p.m. Sprint representatives will be there to meet interested job-seekers and provide more information on the open positions. According to a company press release, the call center handles multiple line of business, including account services, finance, and business care. It also has bilingual teams to serve Sprint's Spanish-speaking customers. New hires will be offered competitive salaries and benefits, including medical, dental 401 (k), monthly performance bonuses and participation in Sprint's employee wireless phone program. The call center expansion comes in anticipation of increased customer service with the national rollout of Sprint's 4G network.
