Liberty Mutual Group plans to hire an additional 100 employees as part of a \$2-million expansion of its operations in St. Louis County. The expansion is scheduled to take place over the next two years. The full-time positions will be in a variety of roles, including administrative and claims positions, the St. Louis County Economic Council said Monday. Based in Boston, Liberty Mutual secured a lease for a 55,000 square foot office in an unincorporated area of St. Louis County. The company plans to spend \$2 million on furniture and equipment as part of the expansion along with an additional \$1 million in tenant improvements. Liberty Mutual has around 45,000 employees that work out of more than 900 offices around the world.
