## MASS LAYOFFS HEADED TO FORT MCCOY, WISCONSIN

The Bering Straits AKI company based in Fort McCoy, Wisconsin has released a statement, announcing that it is planning a series of layoffs. 70 employees working at Bering Straits AKI in Fort McCoy will be laid off starting on September 1<sup>st</sup>. The company says more will follow. Also stated in the notice are the positions likely to be affected. Those include, but are not limited to, engineer techs, clerks, secretaries, and a locksmith. Bering Straits Aki claims that the layoffs are due to alterations in contracts between the company and the federal government.
