[caption] Cellular Sales is opening two new stores and adding 50 new sales positions in a major expansion in Central Florida, the Orlando Business Journal reports. According to the story, Cellular Sales, which is a Verizon wireless retailer, has already opened stores in Leesburg, Gainesville and Winter Park in the last 90 days and added 10 sales positions per store. The new stores will open in Ocala in early November and Deland on Dec. 1. **A national recruiter for Cellular Sales told Business Journal the company's sales consultants earn an average of more than \$51,000 per year. With the opening of the five stores, Cellular Sales will have invested more than \$2 million in Florida this year. The company currently has more than 350 stores throughout the United States, but plans to have around 400 by the end of the year.**
