The Tampa Bay Business Journal reports government contractor SRA International Inc. is opening a new office in Tampa on Nov. 9 that have between 60 and 90 employees.

According to the Business Journal, the new office in Tampa will provide services for about six of the company's contracts. SRA International is an information technology services provider and consultant company to the U.S. Special Operations Command and U.S. Central Command. It is headquartered in Fairfax, Va. SRA has nearly 7,000 employees worldwide.
