## HENRY FORD HEALTH EXPANDING AND ADDING JOBS

The Detroit Free Press reports Henry Ford Health System is adding jobs through a \$5 million expansion of its data center in Rochester Hills, Mich. According to the story, the health care company plans to begin an expansion and renovation of the facility next spring and will add between 20 and 30 new jobs a year over the next several years. Henry Ford is a non-profit health care enterprise, governed by community leaders, with more than 23,000 employees. According to its Web site, the system had \$3.7 billion in revenues in 2008 and provided more than \$160 million in uncompensated medical care.
