## NORTH AMERICAN LIGHTING INC. TO ADD 250 JOBS TO ALABAMA PLANT

**North American Lighting, Inc.** North American Lighting Inc., a manufacturer of automobile headlights, will expand their plant in Muscle Shoals, Alabama, which will add 250 new jobs to the plant. Governor Robert Bentley announced the company's \$35 million investment into its Muscle Shoals plant and says the 250 new jobs will come over the next three years. According to officials at North American Lighting Co., the expansion is due to the company's rapid growth in recent times. After the new jobs are added, the plant in Muscle Shoals will employ about 570 employees.
