

114 NEW JOBS COMING TO SLINGSHOT IN INDIANA

Indiana Gov. Mitch Daniels and Slingshot made the announcement today that it is expanding its human resources in its Indiana's facility by adding 114 jobs. Available job positions include SEO consultants, Software Engineers, marketers and Client Success Managers. Since the company is successful in providing opportunities to the young graduates from Indiana's colleges and universities, the Indiana Economic Development Corp. and Indianapolis have offered it \$1.5 million in tax incentives.
