

CONVERGYS ASSETS TO BE PURCHASED BY AT&T FOR \$320 MILLION

at&t

AT&T Inc. will pay \$320 million to buy Convergys Corp's assets in their two wireless operations in Cincinnati, Ohio. It is expected that Convergys will be able to generate net after-tax proceeds of almost \$250 million from the sale of the two wireless operations. AT&T said that it does not expect any significant impact of this deal on profit and cash flow. Read the full article here: UPDATE 2-AT&T to pay \$320 million for Convergys assets
