## GOP: CUT BIG GOVERNMENT TO REDUCE DEFICIT

The Federal Government has decided to do more work with less manpower as was done by private sector companies which is an idea drawn from President Obama's own fiscal commission. It is being proposed to make one replacement to three retirements that will reduce the number of government workers by 10% by 2015. A bill to this effect would save an estimated \$127.5 billion over 10 years according to Reps. Darrell Issa of California, Dennis Ross of Florida and Jason Chaffetz of Utah, the bill's sponsors.
