## 4 WAYS TO MAKE YOUR RESUME BETTER WHILE UNEMPLOYED

When you are unemployed, you must strategically plan out how to land your next job. One of the things you can do is to get a formal degree or certificate. Another simple thing you can do is to learn how to speak a new language. Performing charity work adds to your resume as well. Lastly, keep on the lookout for different cities and their potential job opportunities. Read the full article here: [4 Strategic Ways to Turn Unemployment Into a Better Resume](#)
