

NEW CHOCOLATE BREWING COMPANY GETS SBA LOAN TO GET NEW EQUIPMENT AND HIRE NEW PEOPLE

[caption id="attachment_17719" align="alignnone" width="160" caption=""] [caption] Crio Bru is the new product made by the company Crio, to take a step forward in the drinks market to increase its turnover and satisfy customers with their demands at the right times. Due to Crio Bru's increasing demands by the public, Crio has asked for loans from a SBA Loan Officer at Bank of American Fork. SBA Loans, which have played a great part in giving loans to small businesses to emerge, provided Crio with loans. With the help of this, Crio has been able to buy a cocoa grinder worth \$58,000 and successfully add sales people to the company roster.
