
ONE BUSINESS OWNER IS READY FOR A 'DOUBLE-DIP RECESSION'

One business owner has already started thinking about the things which she will be cutting, once she sees her company's sales dipping for 2-3 weeks continuously. This will mean their worst fear of the double dip recession is going to come true. The water cooler and employee lunches top the chart of things that will be first to do away with. Read the full article here: [Are You Prepared for a Double-Dip Recession?](#)
