
CAREER MUM TIPS

Career Mums, a book by mothers Allison Tait and Kate Sykes, where they share their tips on going back to work after a baby. A mother should be mentally and physically ready to return to work and not just financially motivated. Ask yourself where your career is going. When it comes to your resume, translate “stay-at-home-mum” into “wordspak”. Raising money for school requires skills. Just because you do not get paid, does not mean they are not worth mentioning. Find childcare that gives you peace of mind. This makes both mother and child feel secure and confident. Parental and domestic responsibilities should be shared by both parents.
