
CONGRESS'S DEFICIT-REDUCTION COMMITTEE SHOULD INITIATE A BROAD REWRITE OF THE TAX CODE

House Speaker John Boehner believes that people are already suffering from economy slowdown, inflation and a host of problems. Rather than adding more taxes to people to is better to close all loopholes in the existing tax codes. Mr. Boehner (R., Ohio) strongly opposed on behalf of his party to increase taxes that the government is planning to impose. Read the original article here: [Boehner Pushes Tax Overhaul](#)
