## ACCORDING TO SOME UNEMPLOYED, UNEMPLOYMENT BENEFITS ARE A BAD IDEA

Jobless people have been receiving unemployment benefits offered to them by the government. The government decides to extend them unemployment benefits. The unemployed say that it is a bad idea. They want their government to find means to help companies create job opportunities, instead of extending the benefits to them. Employment generation by the government only can give them a lifetime protection for a living. Read the full article here: [Some jobless say extending unemployment benefits a bad idea](#)
