

CAREER SUPPORT CLUB PROVES VALUABLE TO JOB SEEKERS - PATCH.COM

At a time when smart ways are required to succeed in job searches and career enhancements, Donna Galan seems to have come with the first-of-the-kind Job Search Club at the Sayville Library to help local residents receive useful tips. No doubt, developing an effective resume matters the most when it comes to tasting success by getting the right kind of job. One can expect that as a professional career consultant, Galan will do well to enable people to establish a rewarding career.
