## **JOB FRONT: SACRAMENTO CONSTRUCTION JOB MARKET STILL STRUGGLING, ECONOMIST SAYS - SACRAMENTO BEE**

Employment in Sacramento's construction sector continues to lag behind California and the nation as the state's building trades struggle with fragile economy, an economist said on a visit to Sacramento Friday. Local networking group Sacramento Professional Network leads a free job search workshop Wednesday in Antelope. Dress is business casual. Job seekers can learn how to pursue state employment opportunities at the State Personnel Board's next lunchtime seminar. As a veteran career counselor at the Sacramento Employment Training Agency, she has plenty of expertise in resume writing, job skills training and career counseling.
