## TEN TIPS BEFORE YOU FILE FOR UNEMPLOYMENT INSURANCE - TAHOE DAILY TRIBUNE

Wow! That was a great article by Gloria Sinibaldi on Career advice: Ten tips before you file for unemployment insurance. Navigating the unemployment insurance system can be intimidating, especially if you're a first-time user. Computers, call centers and the absence of face-to-face contact can often lead to frustration. Multiple-tiered federal extensions in various stages of execution, dual-state claims along with an unprecedented number of claimants in the system can slow the process.
