

CDI: UPDATE YOUR RESUME MONTH

Career Directors International (CDI) is an association providing job seekers, accurate, expert advice and strategy through resume services, by resume industry's top certified professionals. Ever since they have started 'Update Your Resume Month' on September, there has been changes in the job market. During the update period, job seekers have access to expert articles and award-winning resume samples free of charge. They can also download the resume update tracking form. There are also free audio-on-demand resume classes, promotional materials, and how-to resume writing PowerPoint presentations. Through this, writers and career practitioners are encouraged to alert job seekers to update their resumes.
