

10,000 AND MORE NEW JOBS AT HOME DEPOT

This article tells about the home depot to hire 10,000 more seasonal workers in spring. The home improvement chains such as home depot and lowe's cos Inc and retailers selling home goods and furnishings see higher sales during the season as people start. The home improvement retailer said it will hire 80,000 seasonal workers this year, 14 percent more than it hired last year.
