

TURKISH AIRLINES STILL IN TALKS OVER BIG AIRCRAFT ORDER

Turkish airlines still in talks over big aircraft order. Turkish airlines is still in negotiations for an order for over aircraft, a spokesman said, after a German report that a deal with Airbus had not come off during a trip by German chancellor Angela Merkel to Turkey. Turkish Airlines wanted up to 120 of the European planemaker's A320 aircraft but held back from signing at the last minute.
