

MCDONALD'S CUTTING FRUIT & WALNUT CHICKEN SELECTS IN U.S.

McDonald's is known for meeting customers' changing needs from time to time, and yet again the leading hamburger chain in the US has shown that there is no change in the policy by cutting Fruit & Walnut Salad and Chicken Selects from US menus. Also, it's weighing whether to retain its Angus burgers. Interestingly, the changes are being carried out at a time when other hamburger chains such as Burger King Worldwide Inc. and Wendy's Co are fast closing the gap with McDonald's.
