

AS BANKS EYE IRAQ, CITI PLANS TO OPEN OFFICE IN BAGHDAD

Citigroup Inc. established to turn into the first American bank to expose an office of its own in Baghdad, Iraq. Citi has received approval to help and support its corporate customers in Iraq and for the companies to do business there. Unlike Citi, British bank Standard Chartered is still getting to start with plans to open branches of its own in three cities. For more details on the article [Click Here](#)
