## CONNECTING PASSION AND CAREER EXPERTS ADVICE ON FINDING YOUR DREAM JOB - CITY TOWN INFO EDUCATION CHANNEL

As individuals are struggling to find a job, it's not an effective strategy to pursue one's profession without an action plan especially in today's job market. Many people are aspiring to turn their passion into a career. Career experts say that one can turn their passion into a career using one's own talent, self-awareness, focus, and curiosity. This is relevant to the individual who wants a rewarding profession.
