USE GRANTED TO FIND THE JOB THAT BEST SUITS YOU

When you begin the search for a new job, no matter the industry, make sure you utilize the job search site found at [Granted](#). Here you will be able to sift through thousands of open jobs across the country and internationally. To begin your job search, simply type in keywords that best describe the job you are looking for in the search bar at the top of the [Granted](#) homepage. For example, if you work in the security industry, you can type in 'security guard' or 'head of security' to begin your search. Depending on the industry you work in, there will be thousands of jobs available for you to browse. Your job search can be performed by looking at jobs available in each state, and the District of Columbia, or by browsing the job categories on the site. Making the job search as easy as possible is what [Granted's](#) goal is for job seekers so they do not have to waste their time finding the best job for them. Make sure you bookmark [Granted](#) on your browser so you can access it easily throughout the day and submit your resume with ease. In fact, if you register for a free account, you can save all of your information on the site so you can apply for jobs in seconds. Where can you find the most District of Columbia jobs? [Click here](#).
