
ONLINE IDENTITY CAN MAKE OR MAR A CAREER

HOUND

Many stories about how online profiles wrecked job careers are making rounds. Still people flock to social networking Web sites making the same mistakes. This is because everybody thinks that it won't happen to him. Obviously they don't know how a derogatory statement they just posted or indecent pictures of themselves online may mar their job prospects or even cost their jobs. Some wise guys are trying to make their presence felt in the cyberspace instead of developing a profile that damages their careers. Some professionals are using the social networking Websites to find jobs or make key contacts to bolster their careers. [Read More at Hound](#) Where can you find the most jobs? [Click here](#).
