## SEPARATING YOUR PERSONAL LIFE FROM YOUR PROFESSIONAL LIFE

**HOUND**

Do you find yourself doing your work at your home when you are lying in bed? Do you find yourself thinking about your marriage or your significant other at work? If you said yes to both of these questions then that is okay, as we are human. If you do find yourself distracted from your work because you are thinking too much of your current relationship this can be a plague on your professional career. Why? Well, let us think about it for a minute. If you are thinking about your relationship, your mind isn't 100% focused on the task at hand.
