

CAREER COACH TIPS: FROM MOANING MONDAY TO MAGICAL MONDAY

Monday mornings coming after the joyful weekend is always moaning and here are some tips to turn it into magical. Make your attitude grateful to your job, skills, experiences and relationships and this will help you get a fine beginning of the day. Learn to accept 100 percent responsibility for your career and this will help you develop right skills of your own to enhance the career. Keep specific goals clear in your mind as this will help you get motivated and make decisions at times of tough calls, and encourage feedback from others to help you improve.
