
FIRMS TO GIVE PUPILS JOB TIPS

As part of Gloucester business community's second annual careers fair, twenty of their representatives will visit the Barnwood Primary School to give the pupils a glance of working life. Pupils will get around three minutes with each of the representatives to know the details of their jobs including their working hours and salary so that they are well prepared to think about their careers when the time is right. The community is hoping to inspire the younger minds of today with their knowledge and experience to build a better class of people for tomorrow with an upright career outlook.
