## **PART-TIME EARNING TIPS FOR STUDENTS TO SUPPORT THEIR COLLEGE STUDIES - TESTFUNDA - MBA TEST PREP**

Knowledge gain is the primary aim of student life. Off late students have been taking up part-time jobs and vocational courses that have the potential to add more than pocket money to them. 'Earn while you learn' is becoming a buzzword for more and more students in the present day. Put differently, working while studying provides students with additional real world insights in addition to continuing to gain knowledge through their academic studies.
