

TACHNICALES SALE

first subject for good do sales percan but how we are do good sales percan who is speak us
how do make it? so we know uself if we do to believe from planet best sales people
but not waiting another people , subjeck or another one we start work soon to us business
if we start businesscame tu us foot many work and we must working all business like for us important
better than all business but all work not thes is not good business not its little payment not they are very far we are not only for sales man we us all life. what
m i doing bussiness short time decide for start work but noting thing all subjeck bfore business if we are thinking all subjeck we are never start work so all
business has a some risk.you must fast thing you are early start work and not thing all subjeck maybe there are some pessimistic but not stop your wey for
work not early return back to all pessimistic dat s pls who is to blieve they way not return to back but before and before they are like and love business and to
believe goods we are also waiting another people advice to us business if another people know best business why they didnt make it? so because not know
they from you for your best business if they know business you are ask first time they why you didnt make it before you? if you not anoug money why you
didnt find good partner for thing the yopur best business? because they are only speaking nothing thing for the business for the goods for the sales
technical some people like for you not succesfull your business so they are false way see you why they are jealous for your succesfull
reverse thing now if we make new business for ex. not succesfull us business who is spent for you money who they are see you fale way people no no ever
only you famly but real famly . who is give you bady parts for you finger or kidney or aye olny real famly not good frend not best frend not girl or boy frend
only real famly!!! what do you thing fort he work with famly ?
pls good thing who is happy and pasitif thing they are succesfull all they life business and famly life

best regards
M.Y.
