

## SALES JOBS IN ARKANSAS

First of all you have to understand that if you want to work in this state, there are a lot of jobs you can do. Sales is one of the most important of these jobs. The gross domestic product of the state was around \$87 billion in 2005.

In recent years the value of this product has increased a lot. Arkansas is popular for its bromine, vanadium, food processing, paper products, machinery, fabricated metal products and electric equipment.

It is also for its primary products like milk, hogs, rice, cotton, cattle, sorghum, soybeans, eggs and poultry. So if you are looking for sales work in Arkansas, these are good fields to work into. But first, you need to decide what kind of field you are interested in.

### Sales Representative Pool

There are many kinds of Arkansas sales work that you can do. You can join the sales representative pool in Little Rock or Fayetteville or Jonesboro. A job of this kind around these areas will give you a minimum of \$40,000 which is pretty good.

### Inside Sales Agent

If you are interested in being an inside sales agent, you will get a little less, around \$20,000 in the same places listed above. But let's say you are not interested in working under any one. Then you can work from home.

### Work from Home

Due to the innovation of the computer and internet and even phones, work from home sales is a great way to make money fast nowadays. Energetic and dynamic freshers who have an excellent sense of communication can make around \$100,000 through these sales jobs in Arkansas! It is true! Most of these phone or internet sales companies are located around Jonesboro and Little Rock.

Are you looking for something a little better? Let's say you have a few years experience in sales work and are looking for more money and respect than just phone sales. Have you thought of being a regional sales manager in say Fayetteville or Little Rock?

### Regional Sales Manager

A lot of companies are hiring sales managers for their regional offices in these places in the state. The best part about these kinds of sales employment in Arkansas is that they not only offer good money, but you do not have to shift to the bigger cities like New York or Los Angeles for work.

You can be right in your home in the state and yet fulfill your dreams. You also get to keep 100% commission on your work and earn around 200K the very first year!

### Outside Sales/Consulting

As has already been evident, most of the Arkansas sales jobs are concentrated around Little Rock and Fayetteville. There is another aspect of sales field that you can approach in this state. This is the field of Outside Sales or Consulting. If you are tired of working in the corporate world, then this is your chance for freedom.

Some of the world famous companies which have their branches in Arkansas and are great places for Arkansas sales work are Tyson Foods, Wal-Mart and J.B Hunt. There has been an increase in sales jobs in Arkansas due to these companies since 1970 and it will only increase in the future.
