

TOTHEGO.COM HIGHLIGHTS 2012 U.S. JOB MARKET TRENDS

Tothego.com has composed a list of three things that will massively affect this year's job market. Baby boomers are the largest demographic in the U.S. and they are in need of more medical care to stay healthy. With pharmaceuticals that are becoming more and more effective, there is a high demand for physical therapists and knowledgeable medical technology specialists. Technology is rapidly growing and knowledgeable and skilled technology professionals are in high demand.
