
IT LAYOFFS OCCUR IN NORTH CAROLINA OUTSOURCING DEAL

A North Carolina Company, "Dex One" plans to lay off 30% of IT Workers after signing an outsourcing deal with an Indian Services Firm, "HCL Technologies". Cary N.C, based "Dex One", which is previously known as RH Donnelley, is an operator of an Ad Network, maker of yellow pages that print directories, and also a provider of search tools and other products published on Thursday that they hired HCL Technologies, to accelerate delivery of new digital offerings while reducing operational costs. Atish Banerjea is the CTO of Dex One and he has no comment on this. Read the original article here: [N.C. outsourcing deal leads to IT layoffs](#)
