

RETIREMENT SYSTEMS OF ALABAMA HELPING STATE'S JOB CREATION

David G. Bronner, CEO of Retirement Systems of Alabama, directly addresses the organization's reasons for investing 10 percent of the pension fund in Alabama. Through this investment, Alabama has made progress in adding quality jobs, and it has drawn larger companies to invest in Alabama, improving the state and its image. Bronner believes it is important for Alabamians to invest in Alabama. How can other people invest in them if they don't invest themselves? Read the full article here:
