## TIMING YOUR DEPARTURE

You may wonder: Is it better to look for a job while you still have one or quit first so you can take the time to look for something better? It depends. While it's never smart to get yourself thrown out because you lacked the courage to leave on your own accord, there is an argument for taking the time to search out what you really want. But if you don't have enough of a financial cushion, panic over money may force you into a premature decision. [Read More at EmploymentCrossing](#)
