## 546 LAYOFFS IN JEFFERSON COUNTY

Jefferson County, AL ~ Many officials are expressing disappointment as the County decreases expenditures. Although claims of 564 being laid off due to the failure of a levy and a home rule bill may be exaggerated, over half have already received pink slips. Attempts have been made - and some have succeeded - in cutting costs without reducing staff; but the layoffs and decreased services are expected to be permanent. For more information on affected services. Read the original article here: [Jefferson County layoffs begin; 546 to get pink slips](#)
