
WISCONSIN ALUMINUM PLANT TO LAYOFF 87 WORKERS

Westwood Aluminum Castings Inc., a Waukesha, WI based foundry is laying off 87 employees. The company has a 200,000 square foot plant and has been in business since 1923. It was sold to new owners in 2009 and a new management team was put in charge of the plant. Read the original article here: [Waukesha foundry announces 87 layoffs](#)
